Shivam Gera

Platform Engineer @Paysafe | Ex SWE Intern at TapChief | SIH'19
Winner
Hyderabad

Summary

I'm a final year B.Tech student at The LNM Institute of Information
Technology, Jaipur.
I have a keen interest in Artificial Intelligence and database systems
programming, mainly in Python.
I have a decent knowledge of Python, C++, MySQL, etc.
Keen to learn new skills, I am always interested to build things that
might have a good impact on our community.

_____

Experience

ROI Internet Marketing
Platform Engineer
August 2020 - Present (1 month)
India

Platform Engineer (Contract) at PaySafe India

TapChief
Software Engineer Intern
January 2020 - July 2020 (7 months)
Bengaluru, Karnataka, India

TapChief provides a simpler and more powerful way to network, learn and
work
online for everyone.
Developed majority of Backend for 2 main projects. Designed DB schemas,
integrated elastic search with search APIs, optimized celery tasks,
authentication and fixed
critical bugs in the platform.
